April is—National Garden Month

During National Garden Month in April, gather up your tools. You have permission to get dirty! The month-long observance brings gardeners, gardening groups, and those new to gardening together to share tips and offer support for a bountiful season!

Like any other gardener, you've spent the last few months paging through catalogs dreaming and planning the next big adventure. The time has come. Whether you dream in color, spice or flavor, the all-important pleasure is getting to place those seeds or plants in the ground and nurture them along their way.

Tips for new gardeners:

Start small—Start with container gardening if you want to give it a whirl. Tomatoes and pepper will provide color and produce to eat. Herbs such as basil, sage and rosemary can also be brought in during the winter if planted in a container.

Soil—Use the right soil for the plant. Depending on the plant, you may need to check with the garden center to determine if you have the right soil to grow a particular plant.

Potted plants—Anything in a container, such as clay, plastic or resin pot will require more watering than a plant that has been placed in the earth. These plants will likely need to be watered twice a day.

Fertilizer—Not all fertilizer is the same. Read labels and use the correct fertilizer for the type of plant.

Mulch—Mulching bedded plants helps protect from weeds and keeps from water loss.

Raised beds—Helps save on weeding and back-breaking work.

APRIL

Your Cooperation is Appreciated!!!

\$1.4M Water Assistance Program in SB County

CommUnify is pleased to announce the new \$1.4 million Low Income Household Water Assistance Program (LIHWAP) for community members struggling financially to afford their water bills. LIHWAP is limited to households receiving services from participating water and wastewater districts and all application must be received prior to the deadline at the end of July 2023 to receive the payment of assistance benefits.

Contact CommUnify to see if you qualify.

Call: (805) 886-1869
