August is Family Fun Month

Families are busy and it can be difficult to spend time together. Many times we get caught up in the daily activities of children, work, and family obligations. Spending time with family offers the benefits forming unbreakable bonds. As a family, we learn to offer support and encourage other family members to excel.

Make some time this month for family. Celebrate any of these ideas during Family Fun Month:

- Order pizza and watch a movie outside
 - Go out for ice cream
 - Enjoy a family bike ride
 - Spend the day at the zoo
 - Have a picnic at the park
 - Have a karaoke night
 - Hiking

There are simple things you can do to ensure your family relationships remain strong. Quality time means spending time together and doing something everyone enjoys. Incorporating a fun element is easy once you realize being together to make memories is the fun part.

Use your imagination, spend time together and have fun!

Emergency Preparedness

Here in California we are no strangers to the
chance of wildfires. There are many fire safety
tips posted online by CAL FIRE at fire.ca.gov.

One of the best things you can do is make a
plan, make an emergency kit and keep
informed. Don't know what to put in your kit?
Everyone has different needs, but some good
things to remember are important documents,
prescription medications, eyeglasses, and
special items for infants and pets, along with
three days worth of food and water.

***Don't forget to check batteries and
test your smoke detector!***
