## National Water Safety Month

National Water Safety Month in May prepares us for recreational activities.

Water is an attraction during the summer months. Whether we're drawn to lakes and rivers or public pools and water slides, safety is a necessary concern. We use the water for leisure, sport, and general outdoor relaxation. Boating, swimming, fishing, and many other kinds of recreation take place in and around the water.

### Here are some safety tips:

- **Always supervise children in and around the water**
- **Never swim alone**—Swimming is safer and more fun with a buddy!
- **Don't dive or jump into water that you can't see through**—Obstacles like rocks and stumps may be hiding under the surface
- **Never turn your back to the ocean**—Big surf and riptides can come without warning
- **Don't depend on floating toys to keep you safe**
- **Children and non-swimmers should always wear life jackets in open water**
- **Swim only in designated swim areas**—Signs are posted for a reason, there may be hidden dangers in non-designated areas.

**Emergency Preparedness**

Here in California we are no strangers to the chance of wildfires. There are many fire safety tips posted online by CAL FIRE at [fire.ca.gov](http://fire.ca.gov).

One of the best things you can do is make a plan, make an emergency kit and keep informed. Don't know what to put in your kit? Everyone has different needs, but some good things to remember are important documents, prescription medications, eyeglasses, and special items for infants and pets, along with three days worth of food and water.

**Don't forget to check batteries and test your smoke detector!**

Crimes and any suspicious activity should be reported to the police.  
Goleta Police:805-681-4100

All dogs/cats found loose in the Park should be reported to the Animal Shelter:805-681-5285

**Park Emergency Contact**

When the park office is closed, including evenings and weekends, please call:

 **805-968-7700**

Let the answering service know if it is an emergency along with a description of the emergency, the space number, and your contact information.

Park staff will be contacted.
