National Camping Month

Camping is one of America's favorite outdoor activities and National Camping Month is observed in June every year. Be it with friends, family, or even by yourself, camping is the perfect way to reconnect with nature. Camping is also a very popular summer activity that keeps young children engaged outside of school.

Enjoy the peace and relaxation that comes from spending time outdoors, especially when you experience the healing properties of being close to water, breathing in fresh air, and sleeping under the stars.

A recent survey found that 93% of campers feel more relaxed or mentally refreshed after camping, compared to other kinds of trips. The same survey found that 64% of campers claim nearby natural water features such as beaches, rivers, or lake help them feel relaxed when being outdoors. Over half of campers say a clear view of the night sky and stars contributes to their feeling of relaxation.

Gather family and friends, don't forget the s'mores supply and go camping! Nature is calling and there are so many ways to enjoy a weekend or even more camping.

Emergency Preparedness

Here in California we are no strangers to the chance of wildfires. There are many fire safety tips posted online by CAL FIRE at fire.ca.gov.

One of the best things you can do is make a plan, make an emergency kit and keep informed. Don't know what to put in your kit? Everyone has different needs, but some good things to remember are important documents, prescription medications, eyeglasses, and special items for infants and pets, along with three days worth of food and water.

***Don't forget to check batteries
and test your smoke detector!***

Crimes and any suspicious activity should be reported to the police.
Goleta Police:805-681-4100

All dogs/cats found loose in the Park should be reported to the
Animal Shelter:805-681-5285

Park Emergency Contact

When the park office is closed, including evenings and weekends, please call:

 **805-968-7700**

Let the answering service know if it is an emergency along with a description of the emergency, the space number, and your contact information.

Park staff will be contacted.

Bike Safety Reminder:

Those who operate a bicycle are to obey the same traffic regulations as cars. This means they are to be driven on the right side of the street and must obey all stop signs. To decrease the possibility of an accident bikes must have reflectors and those under the age of 6 should ride accompanied by an adult.

Thank you for your cooperation!
